FOREWORD

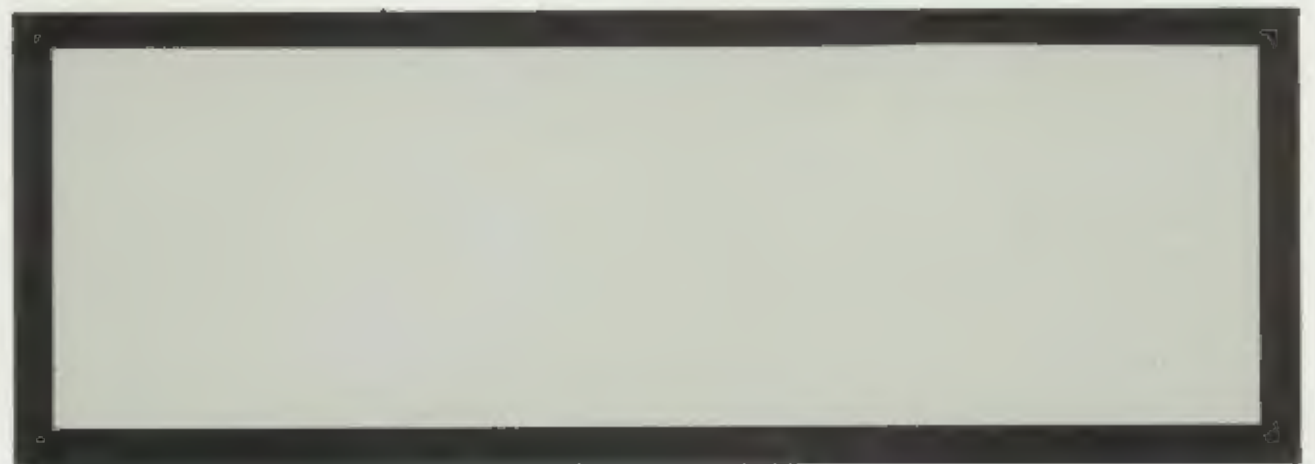

This annual for 1970 is one of originality! By that, we mean it is unique in the make-up of it and those pictures which you will see in the following pages.

We, the annual staff, while making this annual found pictures which made us laugh, some which brought sober thoughts to mind, and others which brought memories of things now in the past.

To each of you, we hope this annual will bring the high points of the year 1970, into one yearbook. We, the annual staff members, tried to capture a little bit of everything that happened in that year.

We hope you will enjoy looking at it as much as we enjoyed putting it together!

The Junior-Senior Prom and Banquet was held on the rainy day of May 8, 1970.

It was entitled:

ENCHANTED GARDEN

It all officially began at 6:30 P. M. in the school gym with the banquet first; to say nothing of all the planning and hard work that went into the planning and building. Then at 9.00 P. M. all the splendor of the pretty girls and handsome men coming in for the Grand March began
